Subject: TDD Amendment - Niagara Falls Boulevard Radiological Site/TO-0007-0011 (RS)

Eric,

RST 3 would like to request a TDD amendment for the Niagara Falls Boulevard Radiological Site, TDD#: TO-0007-0011. As of May 5, 2017, RST 3 has utilized 133 hours of the 200 hours budgeted for the project, with a balance of 67 hours remaining.

This request for additional 300 hours would enable RST 3 continue providing field/office support for the planned Removal Assessment scheduled to being May 8 through 12, 2017. The requested hours will be utilized during field work by three RST 3 personnel and for preparing post-assessment deliverables, including analytical data tables, data validation reports, sampling maps, and technical reports.

Please let Shawna Hoppe know if you concur with this request.

Thank you.
